- OTHER (ISSUES)

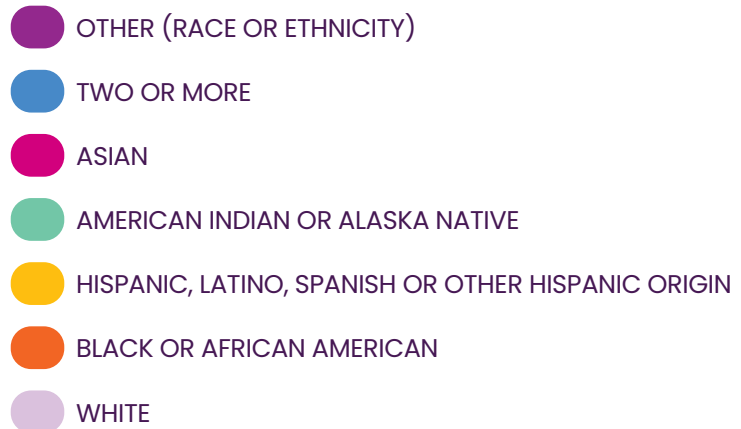

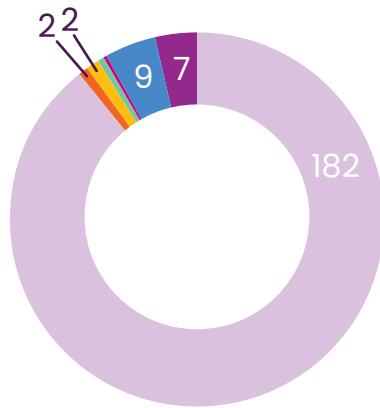

#### OTHER:

- Jewish community needs to show more appreciation to Christians who support the Jewish people and the state of Israel.
- LGBTQIA inclusion
- Refusal to engage in meaningful criticism of Israeli policy towards Palestinians
- Jewish togetherness coming before secularism.
- Lack of inclusion of children of mixed faith parents
- The fact we demand Holocaust education in schools, but local Jews are vehemently anti CRT. Seems that education is good if it benefits us and bad if it doesn't. I have even heard Jews say that talking about racism and black history is bad for Jewish kids

#### JFO STRATEGIC PLAN:

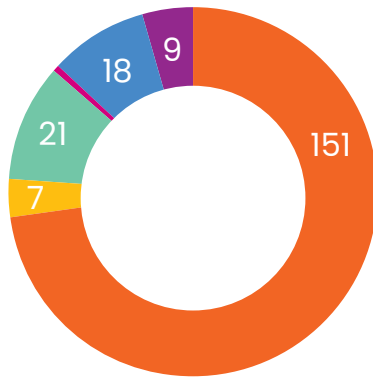

- Lack of engagement with Jews by Jewish community
- Too much complaining any time something changes
- Engagement of older generation of Jews ignored unless go to services alot you never see these people over 50
- Engagement of older Jews nothing for us but services after 40
